Subject: Duplicate Charges

US PATENT & TRADEMARK
OFFICE

Ms. Sims,
Could you please look into the following transactions as they appear to be duplicate charges against our deposit account number 181260. They are;

1) \$84.00 debited from our account on 1/28/02, and again on 2/5/02. Serial number 09/438,885, fee code 102.

2) \$740.00 debited from our account on 1/25/02, and again on 2/21/02. Serial number 09/536,915, fee code 179.

3) \$890.00 debited from our account on 2/21/02. There is no documentation in our files to justify this charge. Serial number is 09/536,915, fee code 117, which indicates a three month extension of time, but the current amount for a three month extension is \$920.00, not \$890.00. Could you please provide backup for this charge.

Thank you for your assistance in this matter.
